

A PEACEFUL, SERENE LAKESIDE VILLAGE

- Halcyon Hot Springs is situated on the eastern shores of the magnificent Upper Arrow Lakes in central British Columbia.
- The Arrow Lakes run from Revelstoke in the north, south to Castlegar and are the main drainage system for an area known as the West Kootenays.
- Halcyon Hot Springs is 68 km south of Revelstoke, and approximately 475 km from Calgary.
- On the southern approach, Halcyon Hot Springs is 32 km north of Nakusp, 280 km from Kelowna, 785 km from Vancouver and 425 km from Spokane.
- The area is accessed in the north by the Upper Arrow Lake Ferry, which travels between Shelter Bay and Galena Bay connecting Highway 23.
- Highway 6 in the south is connected by the Lower Arrow Lake ferry crossing at Needles.
- Communities along the routes include Slocan, Nakusp, the Sandon Ghost town and Shelter Bay.
